

Tandem Paragliding

Ölüdeniz is famous for its paragliding sport opportunities. You are accompanied with highly experienced pilots if you like to taste that adrenalin, taking off from the top of 1960 m high Babadag mountain and fly over the marvellous Ölüdeniz Beach. While enjoying the views your hands will be free to capture this unique experience on video. All joiners are insured against possible accidents that may happen while taking off, flying and landing. Let the silence surround you and enable you to forget all the stress and let the adrenalin spread through your veins. You will be stunned with the birds eye view of the Ölüdeniz region. It will take about 30-40 minutes depending on the weather conditions.
